

# IV MOUNTING OPTIONS

## IV Mounting Options

### Benefits:

Shor-Line's extensive line of IV Products offer solutions for any situation. Our dual hook IV pole can attach to any surgery table with a rail, or come attached to dual wheel casters for mobility. If you're looking to maximize space, then we also offer track mounting ceilings that can be mounted to a cage or ceiling.

### Features:

- IV mounts can easily attach to Shor-Line cages, tables or to dual wheel casters for mobility.
- Track systems come in a standard 4 ft. length and additional tracks are available in one-foot increments.
- Height-adjustable
